

HELP EARN FOR CORNELIUS!

Cornelius Elementary Families, we need your help! Our school participates in many programs that earn money or points to purchase items for our school. Helping is as easy as clipping labels from items you may already purchase. Throughout the year, we ask that you **clip and save Box Tops for Education, Labels for Education, and A+ Labels from Tyson products**. Please send all labels and box tops in a sealed plastic bag or envelope labeled with your child's teacher's name so we can give credit to the right class. Consider having friends and relatives save labels for our school, too!

Box Tops for Education

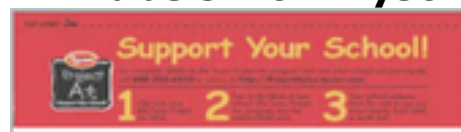

- ✓ Clip Box Tops that have logo and current expiration date. They will look like the example above. Expiration date must be unexpired and intact. Our school receives 10 cents for each Box Top.
- ✓ For participating products, go to: <http://www.boxtops4education.com/products/participating-products>
- ✓ **SAVE THE DATE! A school wide Box Tops collection contest is coming in October! Start saving them now to give your child's class a head start! Details to follow.**

Labels for Education

- ✓ Clip Labels for Education symbol and UPC next to symbol (example above). We must have both! Our school is able to redeem points earned to get items needed for the school, e.g. gym equipment, etc.
- ✓ For participating products, go to: <http://www.labelsforeducation.com/Earn-Points/Participating-Products>

A+ Labels from Tyson

- ✓ Clip A+ Labels from Tyson products. They often have a “Clip Here” line or an image like the one shown and are found on the top of plastic bags and on the bottom or top lid of boxes. We get 24 cents per label.
- ✓ For participating products, go to:
